

# Welcome to the 2021 Spiritual Assessment Survey!

Below, you'll find our Spiritual Assessment Survey we're asking everyone within Grace Gathering to complete.

While attendance, finances, and programs are the typical measurements of success for the western church, Jesus modeled and taught a different way. We want to measure success in terms of Faithfulness and Fruitfulness as we become more like Jesus in character and spiritual influence of others. Jesus taught us to do this more and more in community with others.
